

Dear Caledonia Schools Community,

D&W Fresh Market Pharmacy is hosting a Pfizer Vaccination Clinic on **Thursday, May 13 from 3:00 PM to 8:00 PM** at the Caledonia High School South Campus for eligible students and age-qualifying members of our community. Pfizer is the only vaccine approved at this time for 16 and 17 year olds. Vaccinations will be administered by D&W pharmacists in accordance with all medical safety protocols at no out-of-pocket cost. Those eligible will need to schedule an appointment and bring their insurance card and identification. If the eligible person is not covered by an insurance plan, they are still able to receive the vaccination with a current social security card or driver's license. **Eligible CCS students must be accompanied by a parent or guardian.**

The Pfizer vaccine requires a second dose. Second dose appointments will be held on Thursday, June 3 from 3:00 PM to 8:00 PM and will be scheduled at the initial appointment. The clinic will be held at the Caledonia High School South Campus. People are asked to enter through the main doors and proceed to the south gym for registration and vaccination. Once vaccinated, recipients will stay in the gym for a 15-minute waiting period prior to leaving the building.

If you are interested, you can schedule an appointment starting Thursday, May 6, by clicking on the link below and following the instructions.
