Curriculum

Our preschool uses the Highscope for three's preschool and Connect4Learning curriculum for four's preschool. The curriculum is aligned to the Caledonia Community Schools (CCS) Kindergarten curriculum and focuses on literacy, math, science, and social-emotional development.

Enrollment

Visit calschools.org and click on Duncan Lake Early Childhood Center to enroll online. All of the required documents can be submitted electronically, making this a simple and streamlined process for our families. The enrollment fee is \$75/student or \$100/family.

Calendar

Preschool begins in September and runs through the end of May. We follow the Caledonia Community Schools District calendar for holidays and closures. If CCS is scheduled for a half day, the Preschool will be closed for a full day. The district calendar can be downloaded on the CCS website.

Tuition Payments

Families enroll at the beginning of the year for auto payments in their child's Brightwheel account. Payments are posted on the first of each month from September to May (9 months).
*Autopay using debit/credit card will be charged a 2.9% processing fee.
Use ACH autopay at no additional charge.
