Understanding Your Board of Education

School boards: Advocates for Educational Excellence

Every local school district is governed by a school board. Our local school board is a member of the Michigan Association of School Boards (MASB). The mission of the MASB is to provide high-quality educational leadership services for all Michigan boards of education and to advocate for an equitable and exceptional public education for all students. To learn more about the role of a school board, check out the valuable resources MASB provides. Check out our website for more information.

Board Policies

The Caledonia Community Schools **Board of Education Policy Manual** includes bylaws and policies. A full list of Board of Education member duties, powers, and responsibilities are available in the policy manual on our website. In general, the Board of Education oversees the following:

- Educating Students
- Safety and Welfare of Students
- Facilities
- Staffing
- Finances

Dialogue with Doc

Dr. Martin regularly schedules Dialogue with Doc sessions throughout the year to:

- **celebrate** our district points of pride
- **share** open and transparent communication about the district's strategic plan goals, district initiatives, and plans for the district
- **give** our students, staff, and community opportunities to "ask him anything."

These dialogues are formatted to provide 30 mins of presentation followed by 30 minutes of question and answer time. Board trustees and department heads are often available at the dialogues and these sessions are a great way for our community to stay updated and ask questions!

Where to start if you have a complaint:

- 1 Teacher
- 2 Building Principal
- 3 Department Director
- 4 Superintendent
- 5 Board of Education
