### Growing Greatness Together

Caledonia Community Schools (CCS) has been educating students for almost 90 years. CCS has a strong track record of academic success and is committed to providing a world-class education to our students.

We are a thriving district with a unique blend of both rural and suburban communities that is supportive and continually gives back to our students, schools and families.

### A STEP ABOVE:

At a time when most schools around the state and the country are reporting a decline in student performance due to disruptions caused by the pandemic, the data in Caledonia tells a different story. Our district has made it a priority to reinvest in curriculum materials, resources and supports during the past five years and the academic performance proficiency results show we are stronger today than ever before.

### Average Academic Proficiency Growth (District Comparison Grades 3 - 11)

## REWARD SCHOOL

The Michigan Department of Education (MDE) has recognized seven of the eight eligible CCS schools in our district to receive the designation as Reward Schools. Annually MDE ranks schools academically, and those that are in the top 5 percent of the state are categorized as "Reward." Reward schools are determined based on the Top-to-Bottom ranking methodology, which includes data from achievement, improvement, and achievement gaps in standardized scores.
