**FREE**

**COVID-19 Community Testing**

Please register online at [accesskent.com/Health/covid-19-testing.htm](https://accesskent.com/Health/covid-19-testing.htm)  
or by calling **616-632-7200** for a site most convenient for you.

## Who can be tested?

- People who live in a community impacted by COVID-19.
- People who have a known exposure to a person with confirmed COVID-19 or symptoms of COVID-19 and at least 5 days have passed since exposure.
- People who work in a job that puts them at high risk for exposure (jail, homeless shelter, nursing home, assisted living facility, migrant worker, food processing facility, or a business that limits the ability to social distance, or has repeated close contact with the public).

## DRIVE THROUGH LOCATIONS

### Kent County Health Department - Main Location

## WALK THROUGH LOCATIONS

### Baxter Community Health Center

935 Baxter St. SE, Grand Rapids, MI 49506  
Open Tuesday and Thursday - 1:30 PM - 4PM

## What to know - BEFORE you go:

- Registration is encouraged. Please register before arriving to testing site.
- Please bring your insurance card if you have one. No other form of identification is needed.
- Please wear a mask when you arrive at the testing location.
- You will receive a call with your results within 48-72 hours. If positive, you will receive an additional call from the Kent County Health Department who will conduct a brief interview with you.
- For more information, visit [accesskent.com/Health/coronavirus.htm](https://accesskent.com/Health/coronavirus.htm)
