

Lesson: Fruit and Vegetable WebQuest

Grade Level: Second

Software:

Instructions:

1. Open to this site

<http://www3.guilford.k12.nc.us/webquests/fruitveg/plants.htm#proces>

2. Each student will identify 10 fruits and vegetables to learn about

3. Each student will have a work sheet to record in.

4. After getting the information students will work on making a ridiculous book. (Instructions on web site) Each page will have a clue and a picture. Great study tool for students.

One Side: I am a root vegetable. I grow underground. I am orange, long, and hard. I am slightly sweet. You eat me raw or cooked. What am I?

Second side: put a picture of fruit or vegetable

Fruit/Vegetable	Five Senses				
	Sight	Smell	Taste	Touch	Sound
