

Lesson: My World is Colorful

Grade Level: Kindergarten

Software: Kid Pix

Instructions:

1. Kindergarteners learn about colors and shapes in class
2. In the computer lab or on classroom computer do a reinforcement unit.
3. Student opens Kid Pix
4. On top of screen types My world is Colorful and their name
5. Type color words on screen – red, green, blue, yellow, orange, brown, and black.
6. Find stamps that match colors and stamp by color.
7. Students may then print out their work.
8. If desired, teacher can design a template in Kid Pix where students just add stamps and name.

Sample project:
