

Lesson: What I Know about squirrels

Grade Level: Kindergarten

Software: Kid Pix

Instructions:

1. In the Tech Lab, they used a template with a squirrel and they added background.
2. They used a combination of the KidPix pencil tool to draw freehand, and the wacky paintbrush to make winter trees.
3. They dictated a fact about squirrels which was added to their pictures. (Good spot for older students to come help out or parents.)  
or
4. Each student can draw their own tree and find a squirrel stamp to add to the picture.
