Kindergarten Komputer Kids

Student _____

This lets everyone know that I have done my work well in computers this year.
I have learned the following:

I know the parts of a computer (mouse, monitor, screen, keyboard, disk drive, mouse pad)

I can use my mouse.

I can open a program .

I can quit a program.

I can startup and shut down machine properly.

I can use a CDROM.

I am becoming familiar with the keyboard.

I learned how to take care of technology equipment.

I can draw a picture using the computer.

I have used many exciting programs this year.
